

“It’s important to look for vendors who have an interest beyond just the transaction. Hollister is more than a supplier, they’re a partner to respiratory care practitioners in our continuous quest for advancement in patient care.”

Michael J. Hewitt
RRT-NPS, RCP, FAARC, FCCM

Put patients first—with confidence.

Hollister introduced the first oral endotracheal tube fastener with an innovative gliding shuttle.

Thousands of hospitals across the globe have adopted the AnchorFast oral endotracheal tube fastener as the right choice for securing ET tubes.

Now, we’re taking that innovation—and that confidence—one step further with the **AnchorFast Guard** oral endotracheal tube fastener *with integrated tube protection*.

AnchorFast Guard
Oral Endotracheal Tube Fastener

Now with tube protection

Confidence is in the air.

“AnchorFast Guard provides the potential to improve patient outcomes and may increase efficiencies at the same time.”

Timothy Goedvolk
RN, B.Sc.N.

Address intubated patient risks—
with confidence.

Every patient dependent on a ventilator for respiration is vulnerable. Ventilator-associated risks can result in increased length of stay and increased hospital costs.¹

RISKS of intubated patients	CLINICAL BENEFITS of the AnchorFast Guard oral endotracheal tube fastener
VENTILATOR-ASSOCIATED EVENTS such as pneumonia, due to limited access to oral care.	EASES ACCESS TO THE ORAL CAVITY to help optimize oral care. Findings suggest implementation of a comprehensive oral and dental care protocol can help reduce incidence of ventilator-associated pneumonia. ²
ORAL PRESSURE ULCERS from the tube resting too long in one place.	HELPS PREVENT FORMATION OF LIP ULCERS as part of a multifaceted approach. ^{3,4}
TUBE OCCLUSIONS caused by the patient.	HELPS PREVENT TUBE OCCLUSION with integrated tube protection sleeve.

Confidence is in the air.

The **AnchorFast Guard** oral endotracheal tube fastener is the right choice for critical care teams who want an extra measure of protection for their patients. With the addition of integrated tube protection to our trusted securement system, the AnchorFast Guard tube fastener can help to bring a new level of confidence to the ICU.
